Wholesaler
1998 Calendar

Component	Part#	Price
Intel i860	PIA8530	\$164/CDN
1com i860	3C500 TP	\$143/CDN
SPIC i860	SPIC403T	\$81/CDN
Alced Telecom i860	AT34G0T	\$79/CDN
Microscan i860	K94100T X	\$67/CDN

The best part is, with our everyday low prices, you get First Ethernet, not Commerce, at Ethernet costs. In fact, Kingston is selling four First Ethernet adapters for the same price as one manufacturer's 10Mbit Ethernet adapters. In addition to price savings, you get Kingston's reliable toll technical support. Internet warranty and our free "Q&A" assistance diagnostic centers that make installation a snap.

Kingston

• **Age:** In the 1960s and 1970s, 17000-20000 eggs were collected annually from the same area. In the 1980s, only 1000-2000 eggs were collected. In the 1990s, only 100-200 eggs were collected. In the 2000s, only 10-20 eggs were collected. In the 2010s, only 1-2 eggs were collected. In the 2020s, only 1 egg was collected.

A New Day Dawns At Sceptre

Known for not resting on their laurels, the people at Sceptre, an ISO 9001 manufacturer, have been expanding both their product line and services.

Take the new Dragon Eye™ series of monitors. These professional caliber monitors feature high broad-widths, *AARRC™, USB ports and a Five Year Warranty. Simply outstanding! (*Advanced Response Retention Control)

Sceptre is proud to introduce its new line of flatbed color scanners from the entry level 300 x 600 dpi (optical) 5300 to the high performance 600 x 1200 dpi (optical) 51300.

Of course, Sceptre has been advancing the state of the art in notebook technology with its award winning ultra-high performance Sounds™ series and is also manufacturing its seventh generation of innovative LCD flagpole monitors.

To find out more on how Sceptre can best serve your needs, visit our web site at www.sceptreusa.com or call 800-350-3999.

Sounds™ Notebooks:

Award Winning Speed
Intel i680™ Technology
Intel Mobile Module™

Dragon Eye™ Monitors:

Five USB ports
AARRC
Five Year Warranty

Flatbed Color Scanners:

One touch scanning
Integrated OCR in workplace
9600 dpi integrated resolution

Flat Panel Monitors:

12.1 to 18.1 inches
Multitouch on select models
No VLMF radiation

THE PERFECT LINK

Fax/Modem/Voice Solutions

The Ultimate In Data Communications

Open new windows to the world of the Internet — and beyond, with AOpen's new 56k fax/modem. With the latest in 56k technology, it's one of the most reliable and fastest modems you can offer your customers today.

- Simultaneous Voice & Data
- 56K High Internet Speed
- Programmable for ITU Standards
- Telephone Answering Machine & Voice Mail Functions
- Built-in Caller ID & Distortion Ring Detection
- FCC Certified to ISO 9000 Compliance
- 16MHz/A-Compatible Enhanced UART for Sustained DTE Speed of 115,200 bps

When building your next series of PC systems, be sure to specify AOpen Fax/Modem/Voice cards, with Rockwell K56 Flex technology. Featuring only the highest standards for excellence in data communications products.

A Div. of Great Pacific Trading Ltd.

White Knight systems continue to carry the corporate tradition because they stand for everything we stand for - excellence in service, your success and profitability! The White Knight system basically offers 4000%

More flexibility:

White Knight systems have Intel MMX, Pentium Pro, Pentium II, Celeron, Dodo GA, and AMD K5 processors, in both regular and ATX form factors.

More consistency:

White Knight systems are noted for the consistency of the component components used, making service and support cost effective and predictable.

More quality:

White Knight systems ship with full USA approval due to the quality and consistency of the components used. Each system is quality controlled AFTER the cost/purpose process is finished.

More margin:

White Knight systems are distributed solely from the regional offices and the pricing is considered for controlled distribution.

There is one area that White Knight systems are noted to be less - COST!

WK PX2000 is the ultimate MMX solution for any environment. Full CSA approval complements the quality components and service which go hand in hand for all White Knight systems.
